Profile Summary

Enthusiastic and detail-oriented Frontend Developer with strong skills in building responsive, user-friendly, and visually appealing web applications. Passionate about turning ideas into functional digital experiences using React, Tailwind CSS, JavaScript, and modern UI libraries. Adept at problem-solving, learning quickly, and collaborating with cross-functional teams. Seeking opportunities to contribute creativity and technical expertise to forward-thinking organizations.

Core Skills

- Frontend Development: React.js, JavaScript (ES6+), HTML5, CSS3, Tailwind CSS, Bootstrap
- UI/UX Implementation: Responsive design, Accessibility, Cross-browser compatibility
- Version Control & Tools: Git, GitHub, VS Code, NPM/Yarn
- Collaboration & Communication: Agile/Scrum methodologies, Problem-solving, Remote teamwork
- Other Skills: API integration, Basic knowledge of RESTful services, Debugging & troubleshooting

Professional Experience

Frontend Developer (Petabyte Esport)

Innovative gaming company | Remote | 2024 – Present

- Designed and developed responsive web applications using React and Tailwind

CSS, ensuring seamless user experience across devices.

- Integrated third-party APIs and handled state management to deliver dynamic functionality.
- Built interactive UI components (dropdowns, forms, modals, dashboards) with smooth animations and clean design.
- Collaborated with backend engineers to ensure proper data flow between frontend and backend.
- Debugged and optimized code for performance, reducing page load times and improving accessibility.

Projects

- **Esports Registration Platform (CTEC 2025):** Built a multi-step registration flow with React, Tailwind CSS, and animations, integrating form submissions with backend APIs. [Pesport.gg/ctec](https://pesport.gg/ctec)
- **E-commerce Storefront (Lawrosé Fashion Store):** Designed a responsive product page with filtering, cart functionality, and smooth mobile responsiveness. lawrosefashionstore.com
- **Admin dashboard UI with Sidebar Navigation(Lawrosé Admin Dashboard):** Developed a mobile-friendly admin dashboard with toggleable sidebar, active states, and multiple page routes. lawrosefashion.com
- **PESPORT:** Developed a robust web application combining payment processing, subscription-based gaming, and social media features. Designed an intuitive user interface where users can buy data, send money, interact socially, and play games, ensuring a seamless and engaging digital experience. [Pesport.gg](https://pesport.gg)
- **Royalty Recycling Hub :** Created a responsive e-commerce platform for a recycling company to showcase products and services online. Built clean product pages, integrated smooth navigation, and optimized layouts for both desktop and mobile devices, enhancing customer engagement and visibility. royaltyreclinghub.com
